

No music

No music no life.

No music no life, is true for myself. One of my pleasures is listening to music like I do.

That's why I broadcast a 30-minute show every week on the local radio;

Aired on Sunday and Wednesday, at Radio Bari-Bari .

Most of the time, it's broadcast in French so you can learn to love music and a

The range of artists I select is so large that you should be able to find some son

If by chance you are interested in good sound, you should listen (The Sound Y

Don't forget: no music no life.
