My name is Anna, like アナと雪の女王. I am from Michigan in the U.S.A. I am a practicing Christian, and have

been my whole life. I always try to implement the teachings of Jesus in every aspect of my life, which definitely shapes who I am as a person. It is very much worth it, but I must be honest and say that it is also very difficult and sometimes I fail. I have also enjoyed being active my whole life, but my activities are usually based on individual performance. As a child, I never joined teams like basketball or volleyball, but instead did sports like swimming, track and field, and fencing. After high school, I took up activities like dancing and Krav Maga. Now that I live in Imabari, I sadly cannot find anyone to practice Krav Maga with. So, since I cannot practice Krav, I now like to spend my active time cycling and doing yoga. Another one of my passions is traveling. I enjoy

meeting new people and trying new things. Recently I have tried an "escape the room" game, scuba diving, petting tigers, canoeing with bioluminescent plankton, and preparing Tai fish for taimeshi. When I want to relax, I enjoy reading, napping, and watching shows on Netflix. I don't enjoy watching sports unless a friend is playing. My secret talent is peeling oranges. My

current goal is to keep studying Japanese and improve. Have a fabulous day!
