The last picture I took was when I participated in a factory tour of Nihon Shokken with my friend's daughter from Korea. While I showed her around Imabari, I decided to visit the factory as I thought it would be a special experience that she could not get at another time. I wanted to tell my friends about such a unique palace-style factory in Imabari and have a good memory.

日本食研の工場見学ツアーに参加した時の写真。知人の娘さん(韓国人)に、今治を案内したとき、普段あまりしないような経験もいいかな?と思って工場見学を予約しました。その時の思い出と、今治にはこんな変わった宮殿工場があるんだよという事を、友人達に発信したくて、写真を撮りました。YO

I thought the last picture I took was of my son in his karate set with his new green belt. However, when I turned on my phone and checked, it seems that my youngest son was playing with it. The last picture is actually so blurry, I don't know what it is. Note to self: change the password! LOL. KT

私が一番最近撮った写真、「新しく緑帯に昇格した息子の空手着姿」、のはずだったのですが。携帯をチェックした時に気付いたのですが、どうも次男が携帯をいじったようです。その写真はかなりぶれていて、何が写っているのか分からないほどです。注意:携帯のパスワードを変えること!笑

1. The picture I took at my daughters' ballet performance. The reason is that it was the first performance on the stage for my youngest daughter.  
2. The picture of an obento lunch box for my daughter. The reason is that I did my best to make it, as she asked me to make a special, cute one.

1. 娘たちのバレエ発表会の写真。(理由)次女は初めての舞台だから。二人で同じ衣装を着るのは最後だから。  
2. 娘のために作ったお弁当。(理由)かわいいお弁当を作って!と言われてがんばって作ったから。MT

When I made a business trip to Nagasaki I took my last picture. In Nagasaki it was just the time of the Lantern Festival and the excitement of the two coincided. I really enjoyed the festival night.

2月に長崎に仕事で行きました。ちょうど長崎はランタンフェスティバルで盛り上がっていました。とても楽しい夜を過ごすことができました。HK

I took my last picture of a newly built ship to Osakikamijima island. I was so happy to see it and could not help but shoot it!

大崎上島に行く船が新しくなっていて嬉しくて、つい、ピシャリ。MK
